Greetings, West York Families:

Meal prices for the 2023-2024 school year will be as follows:

- **High School and Middle School**
Breakfast - Free
Lunch - \$2.85
- **Elementary Schools**
Breakfast - Free
Lunch - \$2.60
- Students approved for reduced priced meals will not be charged for breakfast or lunch this school year.

Families can apply for free or reduced-price school meals online, through the National School Lunch Program. To apply, please use the *PA School Meals* application located at www.schoolcafe.com or download the app for your iPhone or Android device. If you do not have access to a computer, you may pick up a paper "Household Meal Benefit Application" from your child's school office. **Please do not submit a paper application if you have already applied online.** If you received a direct certification in the mail this school year stating that you were approved for free meals please **do not** apply again. This approval is good for the entire 2023-2024 school year, as well as the first 30 days of the 2024-2025 school year. Once you access *PA School Meals* you will be guided through a series of questions regarding your household information. Applicants will need to list York County as the county of the school when applying.

The *PA School Meals* system will forward your application information to the school you selected. The school will notify you if you are eligible for free or reduced-price meals. Once you are notified of your child's benefit status, those benefits will be in place for the remainder of this school year and the first 30 days of the next school year.

Use of the *PA School Meals* system allows for timely and accurate processing of your application. Please contact me if you have any questions, concerns, or need assistance.

Sincerely yours,
