

WEST YORK CYBER ACADEMY

IS ONLINE LEARNING RIGHT FOR YOU?

- Are you comfortable communicating electronically?
- Are you willing/able to dedicate 4 to 5 hours per week to each course?
- Are you comfortable with written communication?
- When it comes to learning and studying, are you a self-directed person?
- Are you able to manage your time effectively and easily complete assignments on time?
- As a student, do you enjoy working independently?
- In your studies, do you set goals and have a high degree of initiative?
- Are you comfortable initiating communication with an instructor when you have a problem or question?
- Do you have access to a quiet workspace, free of interruptions, for homework and study time?
