

**WEST YORK AREA HIGH SCHOOL  
OPEN LUNCH PROGRAM**

The purpose of the Open Lunch Program is to permit eligible juniors and seniors to leave school property to eat lunch. It is the Board's intention that providing this privilege will promote opportunities for juniors and seniors to display responsible leadership and high standards of behavior and attendance.

1. **Students who exhibit poor school behavior or accumulate a poor attendance record (absence or tardies) may have their open lunch privilege suspended for a period of time, determined by an administrator.**
2. Only those students who have accumulated sufficient credits to have attained junior or senior status are eligible for Open Lunch privileges.
3. On days when the weather is inclement, the administration has the option of requiring all students to remain in school.
4. Special situations may require the adjustment of the regular school day which could result in the administration requiring all students to remain in school for lunch.
5. Students will be expected to refrain from loitering in the school halls, lobby area, or parking lot on their way to and from lunch. Students may not stop at their cars on the way to or from open lunch. Failure to fulfill this responsibility may result in the loss of the open lunch privilege and disciplinary action may be taken.
6. Students leaving and returning to the building during open lunch are to use only the lobby doors at the front of the building. Only students with ID badges who are able to swipe in/out of the building will be permitted to leave for open lunch. Any violation of this rule will result in an immediate loss of the privilege.
7. No automobiles, bicycles, motorcycles, or any other unauthorized forms of transportation may be used during the open lunch time. Any violation of this rule will result in an immediate loss of the privilege.
8. Students will be expected to return for their next scheduled class on time. Tardiness may result in the loss of the open lunch privilege and disciplinary consequences.
9. Documented and substantiated complaints from the police, citizens, community businesses, or other schools concerning pupil behavior during the open lunch release time could result in the immediate loss of the open lunch privilege.
10. Any junior or senior student who has an outstanding obligation will not be eligible for open lunch until the obligation is satisfied. Obligations include, but are not limited to, detentions, suspensions, Keystone portfolios, seniors who have not complete the graduation project, all monetary obligations, and the student handbook signature page.
11. A signed parental permission form must be on file before a student may participate in the open lunch privilege. (See attached.)
12. Student eligibility for participation is based upon compliance with the above-stated regulations. Failure to fulfill the responsibilities outlined in these regulations may result in the loss of open lunch privileges. Please remember that ALL school rules remain in effect during open lunch.
